WHO YOU LIVE FOR

FOR SWEET SAVOUR

### BURNT OFFERING

#### THE PERSON

Dedication to God  
Individual objective

#### The reason for Mankind's need

We have the wrong king/boss. We've dedicated our lives to idols and self and are therefore ruled by sin and Satan. We need a covering aspect of atonement.  
We become lonely and crushed by disappointment in our gods/idols who are dumb (can't hear us), blind (can't see our lives), mindless (can't understand us), unfeeling (can't feel our pain or love us). We have no Friend in heaven therefore we have no inner companionship and are left spiritually empty.

### PEACE OFFERING

#### THE WORSHIP

Praise and service to the glory of God  
The Cause

#### The reason for Mankind's need

We belong to the wrong army/team. We worship and serve the wrong god, creature, cause, philosophy. Worshipping the creation rather than the Creator. We're unthankful (praise). Feeding on the world we are left unfulfilled and spiritually hungry. We've spent no time in true worship honouring God, burying our talents (service), therefore we've made Him our enemy and have no peace with Him. Therefore what we love fails us and we're estranged from our true Love, our Father. We cannot feed on the word, have communion with God or glorify Him.

### MEAT (GRAIN) OFFERING

#### THE LIFE

A righteous life to men for God  
Action positive

#### The reason for Mankind's need

We're engaged in the wrong battle/action. We have no credit with God and are therefore spiritually poverty stricken, destitute and dressed in rags. We're living for ourselves and not to help others. We haven't made an increase of our talents but squandered them, bearing no fruit of righteousness. We're wounded by the world and are without the oil of the Spirit and salt of life. We are going in the wrong direction and are lost. We have no wages just the wages of sin. We are starving and have been robbed of what we have spiritually.

WHAT YOU DO IN LIFE FOR OTHERS

FOR SWEET SAVOUR

## CHRIST AS OFFERING, OFFEROR AND PRIEST

We are defiled, guilty and cannot do what's right, so Christ does it for us and pays the price, taking the punishment and offering up a perfect life. Yet He did nothing wrong and everything right.

WHAT YOU ARE LIKE

FOR SIN

### SIN OFFERING

#### THE CONDITION

Taking away corruption  
Individual subjective

#### The reason for Mankind's need

We're sinners. This makes us corrupt, spiritually diseased and unclean. This is our very nature. This is who we are before God. We need an atonement for sin in order to be forgiven. We become progressively worse in Character.  
E.g If we are greedy and selfish  
E.g If we are hateful, bitter and cruel  
E.g If we're dirty minded

## AN INTERPRETATION OF THE OFFERINGS CHART

### TRESPASS OFFERING

#### THE STATE

Taking away guilt  
Action negative

#### The reason for Mankind's need

We're guilty of breaking God's law. This makes us in debt, chained and spiritually on death row. This is a result of our actions. This is what we've done to our fellow man. We build up an increasing record of transgressions.

\_\_\_\_\_ therefore we covet and steal.  
\_\_\_\_\_ therefore we can be violent and murderous.  
\_\_\_\_\_ therefore we become fornicators.
